

## Press Release

### Indxx Achieves a New Milestone

**New York – November 11, 2021** - [Indxx](http://www.indxx.com/) is pleased to announce that the number of products tracking its indices has crossed a century. As of November 11, 2021, the firm has licensed its indices to clients for 100+ passive-tracking funds with over \$23 billion in assets.

Founded in 2005, Indxx is a leading global index provider, offering end to end indexing solutions, including index development, index maintenance, and index calculation.

Rahul Sen Sharma, Managing Partner at Indxx, says, “Over the last year, we have continued to be one of the leading and fastest growing thematic index providers globally. In November 2020 we crossed the \$10 billion landmark, and achieving this new milestone in less than a year’s time makes us extremely proud. This would have not been possible without the hard work of the Indxx team and the trust of our clients. We are very grateful to them for their support in our journey.”

Added Naveen Kumar, Co-Founder & Managing Partner at Indxx, “It’s exciting to witness the pace at which we continue to grow as we rapidly expand our client base globally. Despite the challenges the pandemic brought upon us, we have scaled our capabilities and seen assets tracking our indices grow by over 100% over the past year. The unwavering support of our business partners and our team fuels our progress.”

#### About Indxx

Founded in 2005, Indxx endeavors to deliver innovative and custom indexing and calculation solutions to the investment management community at large.

Indxx and products tracking our indices have been nominated for and received numerous awards, including ‘Best Index Provider - Emerging Markets ETFs’ at the ETF Express US Awards in October 2020 and ‘Most Innovative ETF Index Provider’ for the Americas at the 14th Annual Global ETF Awards in July 2018.
