Indxx Exceeds \$10 Billion in Assets Tracking its Indices

New York – November 04, 2020 - [Indxx](#) is excited to announce that products tracking Indxx indices have surpassed the \$10 billion assets under management landmark.

Founded in 2005 and with offices in New York, Miami, Prague and New Delhi, Indxx is full-service index provider that is redefining indexing by bringing innovative product solutions to the market.

PK Sen Sharma, Founder & Managing Partner at Indxx, said, “It’s been an incredible journey for us since our establishment in 2005. We started the company with an aim to bring innovative solutions to the indexing space. I’m very delighted at the progress we’ve made as a company and our contributions to the industry. Kudos to the entire team.”

Added Naveen Kumar, Co-Founder & Managing Partner at Indxx, “The AUM landmark is a big achievement for Indxx and we are very extremely happy at having achieved this amidst the ongoing pandemic. In 2020, our firm has grown significantly both in terms of size and our capabilities. We have diversified our index product offerings and also onboarded one of our biggest calculation clients this year. I would like to thank our business partners and employees for their support in our journey.”

Rahul Sen Sharma, Managing Partner at Indxx, said, “We take immense pride in achieving this milestone and continue to be excited about the journey that lies ahead of us. In 2020, Indxx has continued to grow its innovative index lineup across thematic, benchmark and most recently ESG indices, with launches in the US, Canada, Europe, Middle East, and Asia Pacific. We also celebrated our newest office location in Miami, which we look forward to expanding in 2021 and beyond. We thank our clients for their loyalty and support over the years, and look forward to the journey ahead. We are also thankful to the hardworking Indxx team whose hard work and dedication have been instrumental in helping us achieve this landmark.”
