

Press Release

Fund tracking Indxx US Tech Top 10 Index crosses \$100 mn in assets within a month of launch

New York – May 19 2021 - [Indxx](http://www.indxx.com/) is very excited to announce that the TIGER US Tech Top 10 INDXX ETF (Ticker: 381170 KS Equity), which tracks the Indxx US Tech Top 10 Index, surpassed the \$100 million in assets under management milestone on May 12, 2021. The fund started trading on the Korean Stock Exchange on April 09, 2021.

Rahul Sen Sharma, Managing Partner at Indxx, said, “We are extremely delighted at the record growth and success of the TIGER US Tech Top 10 INDXX ETF. The targeted exposure to the largest technology companies has proven to be promising strategy for Korean investors. It is exciting to witness the record pace at which the fund continues to grow. We extend our congratulations to our friends at Mirae Asset Global Investments on this achievement and look forward to celebrating more such milestones in the future.”

Added Vaibhav Agarwal, Chief Revenue Officer at Indxx, “The rising adoption of technology has translated into the growth of investment in this industry. The exponential growth of the TIGER US Tech Top 10 INDXX ETF demonstrates the enthusiasm that investors possess for the growth prospects of the technology sector. The highly focused exposure provided by the underlying index adds immense value to the investors. We are proud of our partnership with Mirae Asset Global Investments and wish them continued success.”

About Indxx

Founded in 2005, Indxx endeavors to deliver innovative and custom indexing and calculation solutions to the investment management community at large.

Indxx and products tracking our indices have been nominated for and received numerous awards, including ‘Best Index Provider - Emerging Markets ETFs’ at the ETF Express US Awards in October 2020 and ‘Most Innovative ETF Index Provider’ for the Americas at the 14th Annual Global ETF Awards in July 2018.
