### Indxx Launches the Indxx Global Aviation Index Series

**New York – January 18, 2021** - [Indxx](#) is pleased to announce the launch of the Indxx Global Aviation Index Series (the “Index Series”), which consists of the following indices:

- Indxx Global Aviation Index (Ticker: [IAERO](#))
- Indxx Global Airlines Index (Ticker: [IFLT](#))

***The Index Series seeks to accurately and comprehensively measure the performance of companies that provide goods and/or services towards Airline and Air Transportation Industry including air travel, aircraft manufacturing and airport operations.***

Rahul Sen Sharma, Managing Partner at Indxx said, “The airlines industry suffered a major setback due to the COVID-19 pandemic, especially in the month of March 2020. However, the ease in travel restrictions has initiated the recovery of this sector. The first phase of roll out of the vaccine across the globe holds great promise for the industry, and the effectiveness of the vaccine will further boost the recovery of the industry. With the introduction of the index series, we offer an opportunity for investors to capitalize on the comeback of the aviation industry.”

Added Vaibhav Agarwal, Chief Revenue Officer at Indxx, “The Indxx Aviation Index Series offers a pure exposure to multiple underlying segments of the aviation industry such as airline operators, aircraft leasing services, aero support services etc. We aim to continue expanding our thematic index suite to bring such industry focused indices to the market.”
