Rahul Sen Sharma, Managing Partner at Indxx said, "In Q2 2020, we entered into a partnership with ISS ESG to utilize class-leading environmental, social and governance (ESG) data for custom ESG index solutions. We are very happy to announce the continued expansion of our ESG index offerings. The Indxx ISS ESG Index Series now encompasses ESG counterparts of our Global Benchmark Series of indices, as well as custom indices, and we are very confident that these will cater to the growing need for responsible investing."

Added Vaibhav Agarwal, Chief Revenue Officer at Indxx, “With the expansion of this index series, our ESG index suite now consists of 25+ indices. The Indxx ISS ESG Index Series offers a suite of unique index concepts that integrate Indxx’s indexing prowess with ISS ESG’s expertise in the ESG domain. We endeavor to continue diversifying our index offerings, with the addition of ESG alternatives to our eclectic index suite.”

“As the investment community sharpens its focus on both ESG and index investing, we welcome the expansion of the Indxx ISS ESG series that rests on ISS ESG’s best-in-class datasets,” said Hernando Cortina, Head of Index Strategy at ISS ESG.
