Indxx has been developing index strategies for asset managers, ETF issuers, and banks for over 15 years. They offer a comprehensive range of indices across the following categories: [Benchmark Indices](#), [ESG Indices](#), [Income indices](#), [Strategy Indices](#), [Thematic Indices](#), [Digital Asset Indices](#), and [Other Indices](#). Backed by top-notch research, these products provide differentiated exposure to underlying investment strategies.

“At Indxx, we continuously evaluate market conditions and trends to identify disruptive investment opportunities,” said Rahul Sen Sharma, Managing Partner at Indxx. “We then build innovative indices that rely on a unique framework to provide exposure to the underlying investment strategy. We take immense pride in diversifying our offering with the launch of these new indices targeting emerging trends such as electric vehicles, dividend-focused strategies, and China Internet, to name a few. We endeavor to continue adding value to the investment management community by introducing best-in-class index solutions.”

Chandan Kumar GV, Head of Products at Indxx added, “Our product development team continuously analyses markets and works towards developing novel index solutions to capture long-term investment trends in a timely manner. Our research prowess allows us to successfully transform these ideas into promising index strategies. We aim to continue expanding our product suite to serve the growing needs of our clients globally.”

About Indxx

Founded in 2005, Indxx endeavors to deliver innovative and custom indexing and calculation solutions to the investment management community at large.

Indxx and products tracking our indices have been nominated for and received numerous awards, including ‘Index Provider of the Year’ at the With Intelligence Mutual Fund & ETF Awards 2022, ‘Best Index Provider - Emerging Markets ETFs’ at the ETF Express US Awards in October 2020, and ‘Most Innovative ETF Index Provider’ for the Americas at the 14th Annual Global ETF Awards in July 2018.
